Self-employment and Resource Ownership Training

Self-employment has proven to be a viable and exciting career option for persons with disabilities

Attend this training to

- Learn how to evaluate a business idea
- Create a simple business plan
- Identify promotional strategies
- Identify funding resources
- Learn how to acquire equipment or material and use an individual's skills to generate profits for both employers and consumers

Who Should Attend?

Vocational rehabilitation counselors, special education personnel, employment service providers, support coordinators, families and individuals with disabilities interested in employment options
